# VOCAL'S Christmas Tree Of Angels

Christmas can be a difficult time for people whose lives have been changed by crime and life tragedies, and VOCAL brings an annual ceremony to survivors to honour their personal journey and memories.

Survivors, family & friends are invited to place a special angel ornament onto the strong, supportive arms of our Christmas tree. Together we will build our 2017 Christmas Tree of Angels.

**Saturday 2 December 2017**

**2:30pm ceremony**

**St John's Anglican Church**

**Darby and Parry St, Cooks Hill, Newcastle.**

**Light afternoon tea at 3:30pm: \$10**

If your Angel has stayed with us since last year's event, they will be waiting for you to collect from **1:30pm onwards**, inside the Church Hall.

For first time guests, please either bring your own small Angel ornament (preferably non-glass) or you can purchase one at the venue.
